

COLON HYDROTHERAPY/COLONIC INFORMED CONSENT

I, _____, have decided to undergo a Colon Hydrotherapy/Colonic procedure.

A Colonic is intended to clean the colon by removing build up in the large intestine. The colon is filled and emptied with filtered water either warm or cold. I understand that there may be benefits resulting from this procedure, however, I understand and agree that no warranties have been made as to the effectiveness or outcome of this procedure.

I understand that either the colon hydrotherapy technician or I will insert a tube into my colon, and agree that I will witness the technician using sterile and new instruments. Following the procedure I will witness the proper disposal of the nozzle that was used.

I understand that Colon hydrotherapy should be avoided by people suffering from diverticulitis, Crohn's disease, ulcerative colitis and severe tumors or hemorrhoids in the rectum. It should also be avoided soon after a bowel surgery. People suffering from kidney or heart problems should also avoid regular colon hydrotherapy. People suffering from bowel, anal or rectal pathologies should avoid colon hydrotherapy because the pathology may contribute to the risk of bowel perforation. _____ Initial

I understand that certain medical treatments may have adverse effects on persons of a young age and agree that I am not under the age of 18. _____ Initial

I confirm that I am not a woman who is pregnant, nursing or trying to become pregnant as this would make me an unsuitable candidate for this procedure. _____ Initial

This list is not meant to be inclusive of all possible risks associated with colon hydrotherapy as there are both known and unknown side effects associated with any medication or procedure.

I understand and agree that all services rendered to me are charged directly to me and that I am personally responsible for payment. I further agree in the event of non-payment, to bear the cost of collection, and/or Court cost and reasonable legal fees, should this be required.
